

## 2022 Economic freedom score

© 2025 Mapbox © OpenStreetMap

Map based on Longitude (generated) and Latitude (generated). Color shows sum of 2022 Score. The marks are labeled by Country Name. Details are shown for Country Name.

## Top 40 ranking countries in the index

World Rank  
1  40

© 2025 Mapbox © OpenStreetMap

Map based on Longitude (generated) and Latitude (generated). Color shows sum of World Rank. The marks are labeled by Country Name. Details are shown for Country Name. The data is filtered on World Rank, which ranges from 1 to 40.

## Bottom ranking countries in the index

© 2025 Mapbox © OpenStreetMap

Map based on Longitude (generated) and Latitude (generated). Color shows sum of World Rank. Details are shown for Country Name. The data is filtered on World Rank, which ranges from 127 to 177.

## Index score based on unemployment rate

The trends of Inflation (%) and Unemployment (%) for Country Name. Color shows details about Inflation (%) and Unemployment (%). The view is filtered on Country Name, which has multiple members selected.

## Index score based on unemployment rate

**Measure Names**  
Inflation (%)  
Unemployment (%)

The trends of Inflation (%) and Unemployment (%) for Country Name. Color shows details about Inflation (%) and Unemployment (%). The view is filtered on Country Name, which has multiple members selected.

## Index score based on financial freedom

Country Name. Color shows details about Region. Size shows sum of 2022 Score. The marks are labeled by Country Name. The view is filtered on Country Name, which has multiple members selected.

## Index score based on financial freedom

Region

- Americas
- Asia-Pacific
- Europe
- Middle East and North Africa
- Sub-Saharan Africa

Country Name. Color shows details about Region. Size shows sum of 2022 Score. The marks are labeled by Country Name. The view is filtered on Country Name, which has multiple members selected.

### Index score based on population

Sum of Population (Millions) for each Country Name. Color shows sum of 2022 Score. The view is filtered on Country Name, which keeps 19 members.

## Index score based on 5 year on GDP growth rate(%)

5 Year GDP Growth Rate (%) for each Country Name. Color shows sum of 2022 Score. Details are shown for 5 Year GDP Growth Rate (%). The view is filtered on Country Name, which keeps 50 members.

## Index score based on 5 year on GDP growth rate(%)

5 Year GDP Growth Rate (%) for each Country Name. Color shows sum of 2022 Score. Details are shown for 5 Year GDP Growth Rate (%). The view is filtered on Country Name, which keeps 50 members.

## Inflation rate in different countries

Sum of Inflation (%) for each Country Name. The marks are labeled by sum of World Rank. The view is filtered on Country Name, which has multiple members selected.

## Inflation rate in different countries

Sum of Inflation (%) for each Country Name. The marks are labeled by sum of World Rank. The view is filtered on Country Name, which has multiple members selected.

## Correlation between inflation and unemployment

The trends of Inflation (%) and Unemployment (%) for Country Name. Color shows details about Inflation (%) and Unemployment (%). The view is filtered on Country Name, which has multiple members selected.

## Correlation between inflation and unemployment

The trends of Inflation (%) and Unemployment (%) for Country Name. Color shows details about Inflation (%) and Unemployment (%). The view is filtered on Country Name, which has multiple members selected.

## Correlation between GDP(PPP) and monetary freedom

The trends of GDP per Capita (PPP) and Monetary Freedom for Country Name. Color shows details about GDP per Capita (PPP) and Monetary Freedom. The view is filtered on Country Name, which keeps 54 members.

## Correlation between GDP(PPP) and monetary freedom

**Measure Names**  
■ GDP per Capita (PPP)  
■ Monetary Freedom

The trends of GDP per Capita (PPP) and Monetary Freedom for Country Name. Color shows details about GDP per Capita (PPP) and Monetary Freedom. The view is filtered on Country Name, which keeps 54 members.

## Top 40 countries by GDP growth rate

Sum of GDP Growth Rate (%) for each Country Name. Color shows sum of World Rank. The view is filtered on Country Name, which has multiple members selected.

## Top 40 countries by GDP growth rate

World Rank  
0  171

Sum of GDP Growth Rate (%) for each Country Name. Color shows sum of World Rank. The view is filtered on Country Name, which has multiple members selected.
